

## Menu of MSC Aurea Spa Vinotherapy Treatments

- **Cabernet Body Rejuvenating Treatment**, which offers the rejuvenating benefits of a peeling treatment, using the seeds and grape parts of Cabernet grapes. This wonderfully indulgent treatment exfoliates and purifies, nourishes and moisturizes, leaving your skin refreshed, brighter, and silky to the touch.
- **Cabernet Stimulating Body Treatment** is a luxurious anti-cellulite body treatment for stimulating circulation and reducing the appearance of bumpy, orange-peel skin. It uses a Cabernet grape mousse, known to increase cellular turnover, enriched with rosemary and oak extracts for a revitalizing boost.
- **Sangiovese Velvet Body Treatment** is made with highest quality Sangiovese IGT (Indicazione Geografica Tipica) grapes, and enriched with mallow, sage and aloe vera. This velvety body treatment is a relaxing, soothing experience. The active properties found in grapes combine with essential oils for skin that is healthier, brighter and delightfully soft.
- **Mediterranean Citrus Body Massage** is ideal for releasing tension and nourishing the skin, this gentle massage uses a mild treatment made from grape seeds, Mediterranean citrus and rosemary extract. With the addition of warm compresses filled with grape seeds and red vine extracts, this treatment improves micro-circulation and works against the negative effects of free radicals.
- **Sangiovese Age-Defying Facial** helps fight the first signs of aging and is a wonderfully rejuvenating treatment based on the free-radical fighting qualities of polyphenols found in grape extracts.
- **Cabernet Sauvignon Firming Facial** is intended for a more mature complexion. Using resveratrol, a natural compound found in the skin of grapes, this relaxing treatment helps fight deeper wrinkles, leaving skin firmer, and helping redefine the profile.
- **Morellino Men's Luxury Facial** is perfect for men's skin. Using the active properties of the plant verbascum, combined with cypress essential oil, this treatment will help fight shine and reduces the signs of aging, such as wrinkles and loss of firmness.
- **Pinot Grigio Skin-Brightening Facial** delivers a brightening effect as it employs the excellent antioxidant qualities of borage, rich in Omega 6, and has a gently moisturising, firming effect on your skin, leaving it feeling soft and velvety, more elastic.

## Guests are able to purchase the *LAJATICA* products on board the ship and these include:

- **Anti-Wrinkle Cream & Shock Anti-Wrinkle Serum:** This anti-wrinkle cream, rich in polyphenols, restores skin firmness and elasticity, and works best when combined with the serum. Rich in resveratrol, the serum promotes the absorption of the cream, and when used in conjunction, guests can expect to reduce signs of ageing after only 7 days.
- **First Wrinkle Cream & Serum:** This wrinkle cream, specially created to fix facial expression lines, contains high levels of anti-oxidants, optimising proper hydration to prevent ageing. It is perfect as after-sun too and expresses its full hydration when combined with the anti-wrinkle serum. The high concentration of low molecular weight hyaluronic acid and resveratrol make

the serum a tool capable of reducing expression wrinkles, with results showing after only 7 days of treatment.

- **Hydrating Multi-Action Skin Cream for Men & Beard Moisturiser and Face Serum for Men:** This lightweight cream optimises the natural and physiological process of keratinization, increasing the firmness and elasticity of the skin. Thanks to Bisabolol's calming, soothing and anti-reddening properties, this cream is perfect for use after shaving. The serum, if used regularly, slows down the ageing process and counteracts signs of fatigue, toning the face and reducing bags and dark circles.
- **Brightening Cream & Serum:** This brightening cream is characterised by a high concentration of malic acid and a Ph close to the skin's natural levels, helping to brighten and illuminate. It also contains a mixture of broad-spectrum sunscreens (UVA-UVB-UVC). The brightening face serum, rich in antioxidant polyphenols, protects the skin from daily aggressions, while preventing the appearance of dark spots and visibly reduces the existing ones. The high levels of ellagic acid efficiently protect the skin from oxidative stress and therefore, premature ageing.
- **Micellar Gel – Make-up Remover:** This dual action gel works as both a facial cleanser and make-up remover, moisturising and removing dirt. Due to its gentle nature, this gel is suitable for all skin types and is free from alcohol, soap, parabens and fragrance that may cause allergies.
- **Grape Jam Scrub:** This scrub is formulated with grape seed gel and protects the skin from premature ageing, atmospheric agents and free radicals. It has tightening, toning and stimulating properties, promoting capillary microcirculation, leaving the skin soft and hydrated.
- **Velvet Cream:** This lightweight body cream is rich in polyphenols, giving it a strong antioxidant power. The fine mixture of grape seed and jojoba oil hydrates, leaving the skin feeling soft and silky.
- **Cellulite Cream:** Its high caffeine concentration (10%) makes this product a shock treatment to be used over 7 days. Caffeine promotes the mobilization of triglycerides from the subcutaneous adipose tissue, leaving skin looking leaner and smoother.
